E-auction stage:

- (i) Bidding process will be done on the basis of lease premium rate.
- (ii) Auction will be started on predefined date and time on E-auction portal (<https://eauction.etender.sbi/SBI/>).
- (iii) Technically qualified bidder has to login with their User ID and Password and has to click on "Live Auction" stage. Only auction for which bidder has been technically qualified will be visible.
- (iv) Bidder has to click on details of plot against their auction and then accept terms and conditions.
- (v) Bidder will be redirected to live bidding page and here bidder has to do live bidding.
- (vi) Bidding will be started from Auction Reserved Price (Total value of plot).

- (vii) Only bid higher than the H1 bidder will be accepted by the system except first bid. For the ease of the bidder system will display present H1 bid and value of next minimum bid, however bidder may bid any value higher than H1 bid which should be Total value of Plot adding incremental value in multiple of whole number.
- (viii) Bidding will be continued for the predefined period. If any bidder adds value in the last 5minutes, then auction will automatically be extended for further 15 minutes from the predefined period. Maximum 10 such extension shall be provided.
- (ix) If at any stage of E-auction (predefined period and extension period if any) system didn't get any value in the last 5 minutes, auction will be ended after completion/termination of time and the last H1 bid will be considered as the provisionally winning bid, subject to approval of UPSIDA.
- (x) The bids submitted by the bidder will be binding on him/her.

Bidders are strongly advised to monitor the auction system continuously to ensure that they do not miss out on bidding in any stage.

- (xi) Automated refund of non-H1 bidders' EMDs will be initiated to their payment source account, after the termination/completion of the e-auction process. These refunds will be processed within 3 working days after the closure of e-auction and approval of H1 bidder by UPSIDA.

Post Auction Stage:

- i. UPSIDA reserves the right to accept/reject any bid at any stage, including the highest bid without assigning any reason for the same.
- ii. The auction service provider shall send e-mail intimation to the final H1 bidder intimating them about their H1 status and instructing them to make payment of Balance EMD.
- iii. The H1 bidder is required to allocate the balance amount of EMD based on bid price after adjustment of previously deposited amount of EMD within 3 days of receipt of the email intimation. This Balance EMD amount is calculated as the **difference between 10% (for Very-Fast and Fast Moving Industrial Area) / 5% (for Slow Moving Industrial Area) of the value of the plot/property based on the H1 bid in the e-auction process and the EMD amount already paid.**
- iv. **In case of non-payment of Balance EMD within the specified period by the final H1 bidder, the plot shall not be offered to the H2 or any other bidder through this auction process. The previously deposited EMD of the final H1 bidder in such cases shall be forfeited and new e-auction for the plot will be initiated.**
- v. After confirmation of the payment of Balance EMD amount from the H1 bidder, UPSIDA will process approval of allotment of plots to H1 bidder and issue the allotment letter within 7 working days.
- vi. The final H1 bidder is required to deposit Reservation Money within 60 days of issuance of Allotment Letter as per the Terms and Conditions described in this document and allotment letter. The Reservation Money is calculated as **50% of the value of lease premium of plot /value of property for Very-Fast and Fast Moving Industrial Area and 25% of the value of lease premium of plot /value of property for Slow Moving Industrial Area** (Reservation Money includes EMD amount already paid) and shall be payable as per UPSIDA's prevailing rules and regulations.
- vii. In case the final H1 bidder fails to pay the reservation money within 60 days of issuance of allotment letter, the EMD deposited shall be forfeited and new e-auction for the plot will be initiated.

- viii. The final H1 bidder would have an option to pay full and final payment of the total Premium of the plot within 60 days from the issue of Allotment Letter. In such a case, 2% rebate will be given on the total Premium of the plot /value of property.

Applicable Taxes & TDS:

UPSIDA will indicate to the final H1 Bidder the taxes and duties payable for the amounts being collected by UPSIDA as per the prevailing rules and regulations.

- ▶ *Bidders must be extremely careful to avoid any wrong bidding (whether typographical or otherwise). They must check and rectify their bid (if required) before submitting their bid in the live e-auction floor by clicking “Submit Bid” button. The Bidders shall be solely responsible for all consequences arising out of the bid submitted by them (including any wrongful bid submitted by them).*
- ▶ *Bidders must always ensure to keep their e-mail address valid and active. It is the responsibility of the customer to verify the status of their bids and check their e-mails to take necessary action as required within the particular time frame.*
- ▶ *Each property put up for auction shall be deemed to be a separate contract of allotment.*

Terms and Conditions of allotment through e-auction

1. Date of issue of allotment letter will be considered as the date of allotment for all future purposes
2. Interest chargeable on the total balance outstanding premium will computed from the date of allotment and payable half yearly on 1st day of January and 1st day of July of each year.
3. The plots shall be Leased for 90 Years.
4. The amount together with the Earnest Money already deposited equal to **10%(for Very-Fast and Fast Moving Industrial Area) / 5% (for Slow Moving Industrial Area)** of the total Lease Premium of the plot at the H1 bidder rate is called EMD for allotment of plot and is payable along with the value of the existing construction as shown in the plot details within 3 days from the date of intimation of auction status to the H1 bidder. If the payments are not made within the stipulated time, the auction process shall automatically stand cancelled and the EMD of H1 bidder will stand forfeited by UPSIDA.
5. Reservation money shall be equal to **50% of the value of lease premium of plot /value of property for Very-Fast and Fast-Moving Industrial Area and 25% of the value of lease premium of plot /value of property for Slow Moving Industrial Area** at the H1 bidder rate,

after adjustment of EMD as per clause 4 and subject to adjustment according to the actual measurement of the plot. The reservation money shall be payable within 60 days from the date of allotment. If the payments are not made as stipulated in the ALLOTMENT LETTER within 60 days from the date of allotment, the allotment will automatically stand cancelled and the EMD will stand forfeited to UPSIDA. However, if the area of the allotted plot either exceeds the area as per catalogue or falls short by more than 20%, the EMD will not be forfeited if the allotment of additional land or deficient land is not accepted by bidder within 15 days from allotment, provided intimation is sent in this respect to UPSIDA by bidder within the stipulated date.

Note –

The lease premium of plot mentioned above is liable to be increased on account of increased compensation or additional infrastructure development in the area. Such charges shall be payable by the allottee as and when they are applicable and notified by UPSIDA. Intimation by Chief Executive Officer of UPSIDA in this regard shall be final and binding on bidder.

6. The remaining of the Lease Premium of plot has to be paid by the H1 bidder **in 6 equal half-yearly installments**, each of which will be due on 1st day of January and 1st Day of July each year.

An interest MCLR+1% per annum will be charged on the outstanding (balance) premium with effect from the date of allotment and shall be payable along with the instalment of premium as per above clauses OR as per the terms & conditions of Allotment Letter. Up to the payment of the amount of balance premium and the interest due thereon from time-to-time, UPSIDA shall retain first charge on the land and the building and machinery erected therein till it is (they are) paid in full.

In case of default in payment of instalment on the due date as mentioned in the allotment letter, a penal interest of 3% (compounding Six monthly), other than normal differential rate of interest (MCLR+ 1%) shall be applicable.

7. The stamp duty, the registration charges and legal expenses involved in the execution of the Lease Deed and other agreements from time to time shall have to be borne by the winning bidder.
8. The H1 bidder has to execute a Lease Deed within 60 days from date of allotment by submitting the following documents:

Definitions

Auction

Auction refers to a forum where one/more items of the Seller are stated and the participants (customers) are required to bid up the price to be selected to purchase the said items.

Online Auction

Online auctions refer to those auctions conducted through the Internet with the customers (from one or more locations) simultaneously bidding to be selected for purchasing the item/s on Auction. In other words, the venue for the auction is on an Internet website/ platform.

Services refer to the Online Auctions conducted by the Service Provider through its website as the venue for the purpose of the Online Auction.

Award at the Auction

In a single winner format, only one customer (normally the customer who quotes the highest price) is awarded all the units of the item being auctioned. The customer quoting the highest price is normally allotted the item.

Client

Client is the individual/business entity who has contracted "Service Provider" to conduct such auction. In case of auction, the purpose would be the genuine intent to sell the selected item/s (Lot) to the customers desiring to buy these items from the Client.

Customer

Customer is the individual/business entity participating in the auction, intending to buy the item(s) from the Client. To become a customer in the auction, a business entity has to secure client approval for participation and also provide written assent to the General Rules and Regulations.

Auction Engine

Auction Engine refers to the software that encapsulates the entire auction environment, processing logic and information flows. "Service Provider" is the sole owner of the auction engine and retains exclusive right over the utilisation of the same.

Timings of the Online Bid

All the timings of the Online Bid shall be based on the time indicated by the Server hosting the Auction Engine. It shall be the endeavour of "Service Provider" to ensure that the Server Time reflects as closely as possible the Indian Standard Time (IST) i.e. GMT + 0530 hrs. However, in the event of any deviations between the Server Time and the Indian Standard Time, the functioning of the Auction Engine (Launch, operation, and closure) would be guided by the Server Time. Customers are advised to refresh both the windows of the Auction Module check the exact Server Time (displayed in both the windows).

Preview Time

Preview Time refers to the period of time that is provided prior to the commencement of bidding. This is to facilitate approved participants to view the auction details such as item specifications, bidding details and bidding rules. The purpose is also to familiarize participants with the functionality and screens of the auction mechanism. It is not mandatory for "Service Provider" to provide Preview Time

Start Time.

Start time refers to the time of commencement of the conduct of the online auction. It signals the commencement of the Price Discovery process through competitive bidding.

Duration of the Auction.

It refers to the length of time the price discovery process is allowed to continue by accepting bids from competing customers. The duration of the auction would normally be for a pre-specified period of time. However, the bidding rules may state the conditions when the pre-specified duration may be curtailed/extended. The conditions include:

- ▶ Curtailment of auction duration in the event of no bids for a specified period of time (Inactivity Time)
- ▶ Automatic extension of auction in case even a single bid is received in a particular extension.

End of the Auction.

End of the Auction refers to the termination of the auction proceedings signalling an end to the price discovery process.

Auction Report.

"Service Provider" would provide an Auction Report to the Client containing a summary of the auction proceedings and outcome. The Auction Report would constitute the official communication from "Service Provider" to the client about the outcome of the Auction.
